Proven Experience! Servant with Purpose!

**OVERTURE
WALKER**

For **Senate District 22**

I want to create a state government that works for you and help elect more Democrats to restore political balance to the State House.

Here are my top issues to help improve state government:

- Bolster economic development to create more jobs
- Improve and expand the process for selecting judges
- Bolster infrastructure (roads, bridges, etc.)
- Strengthen public education
- Push for more affordable housing
- Support improved women's health
- Strengthen public safety to protect communities
- Improve access to health care for all
